

The second referee (R2) works closely with the scorer and the assistant scorer (libero tracker) throughout the match.

The R2 will instruct/review NYSCVOA's scoring procedures with the scorer and the libero tracker upon arrival.

The R2 should minimally review how the scorer and tracker will relay the following information:

- Wrong server
- Illegal libero replacement
- Illegal substitution
- Number of time outs
- Number of team substitutions
- Set / match point

NYSCVOA Best Practice:  
Officials should bring score sheets and tracking sheets to every match just in case....

# Match paper work can be printed from the NYSCVOA website.

The scorer will need:

4 non-deciding set score sheets

1 deciding set score sheet

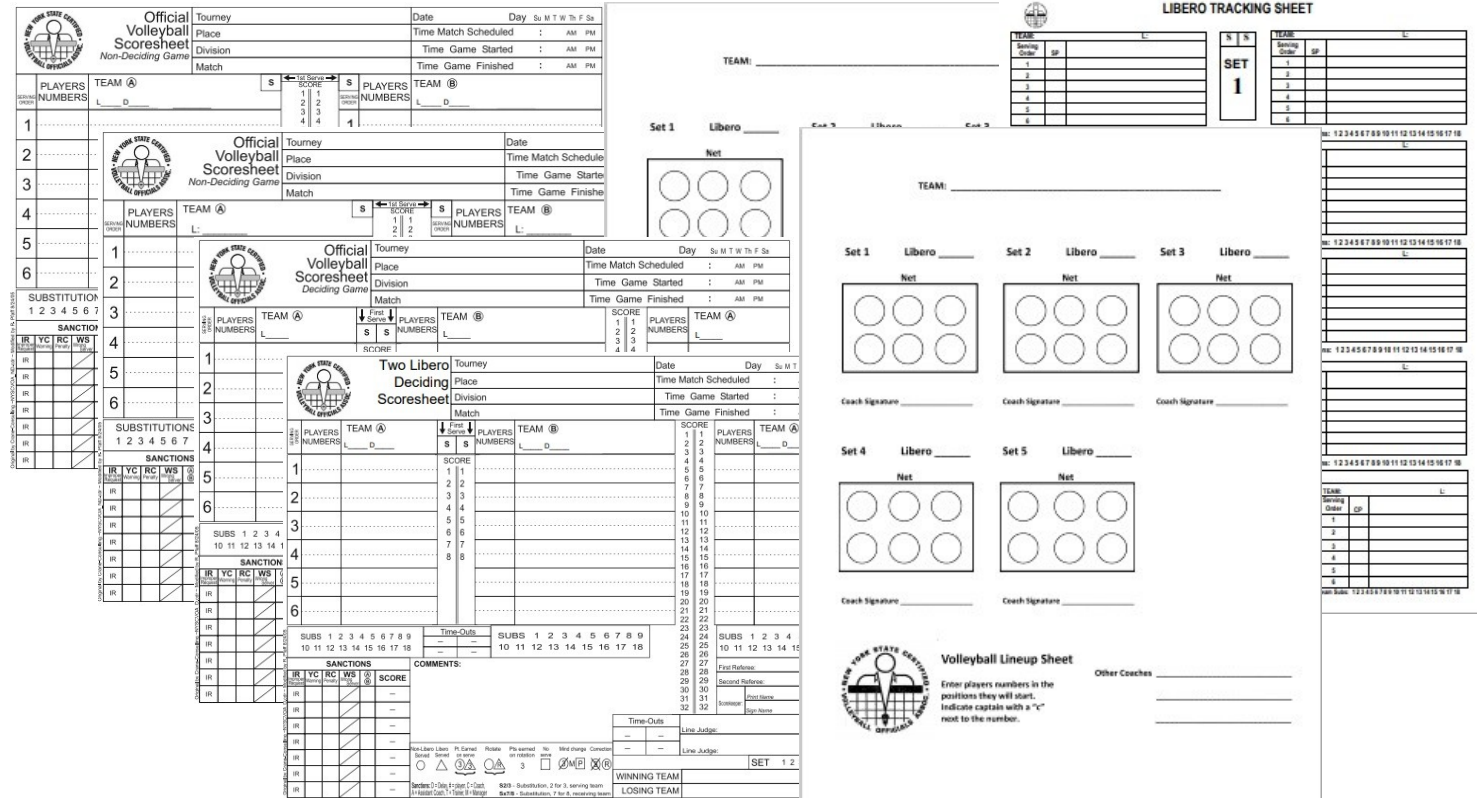

2 line up sheets

1 libero tracking sheet

The scorer should bring

3-4 different colored pens

(Black, blue, red) to every match

There are 2 libero system game sheets and one libero game sheets

The scorer will arrive at least 20 minutes prior to match time.

Upon arrival the scorer will:

- Introduce yourself to the officials
- Complete the header on the score sheet to include
  - Day and date
  - Level of match (Mod., JV., Vars.)
  - Time the match is scheduled to begin
  - Circle the first set

Important information is recorded in black (or the darker color) ink on the score sheet.

The scorer can fill in the teams' side, print your (scorer's) name and sign the score sheet

Once the officials determine first serve, the first three score sheets can be filled out for the match. Complete the same areas like the first set and circle the S for first serve.

The Bulldogs (Team A left side of net/score sheet) chose to serve for set one.

The teams change sides after sets 1 - 4 . The Warriors (Team B now on team A's side) will serve for the second set and so on.

In other words, Team A will serve sets 1 and 3, Team B will serve sets 2 and 4.

For sets 1 - 4 the first serve will always be on the scorer's left because the teams change sides after every set.

Indicate sets 1, 2, 3 at the bottom of the completed score sheets.

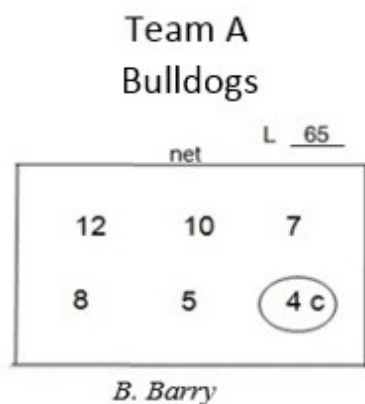

All this information is recorded in black (or the darker color) ink.

The R2 (second referee) will obtain the lineups from both coaches and give them to the scorer. The scorer will secure the lineups and will make sure no one sees them. The circle indicates the first server for the set. Because the teams rotate forward (clockwise) on the court, the scorer enters the lineup, using the darker colored pen, backwards or counter clockwise from the first serve.

The R2 and the scorer will check for duplicate numbers, lack of a libero number and no captain denoted on the lineup sheet. The scorer will check each player's number when they go to serve the ball to guarantee proper service order is maintained throughout the set. The R2 will instruct the scorer on how he/she wants to be notified in the event of an incorrect server.

Start with the darker colored pen.

The R1 issues an administrative sanction for non compliant uniforms to the Bulldogs.

The scorer records a point for the Warriors.

No serve took place so the point goes in a square in both the running score column and the scoring section of the score sheet.

The administrative sanction does not affect service order.

Team A Bulldogs will serve first.

Bulldogs #4 serves the ball into the net.

The scorer will draw a circle on Bulldogs #4's line when the player contacts the ball for service. Then wait for the result of the play.

The R1 indicates a point for the Warriors and then signal net serve.

The R in the circle means rotate. The Bulldogs lost the point because the serve hit the net.

The Warriors second point is slashed (rally point) in the running score column and the corresponding number is recorded on the server's line without a symbol around it.

Warriors rotate and #20 serves the ball. Draw a circle on #20's line when the player contacts the ball. Then wait for the result of the play. The R1 indicates the Warriors won the point.

A number 3 gets recorded in the circle in the scoring section and a circle is drawn around the number 3 in the running score column

The R in the circle means that #20 served again but lost the point. The R1 will award the point to the Bulldogs. The Bulldogs will rotate and serve.

The Bulldogs rally point is slashed in the running score column and the corresponding number is recorded on the server's line without a symbol around it.

The Warriors and the Bulldogs both request one substitution. The scorer does 3 things for each substitution:

- ✓ Players are entered on the server's line (player going in / player leaving) (S = serving team, Sx = receiving team)
- ✓ Enter the subs in the PLAYERS NUMBERS Column.
- ✓ Slash the next number in the SUBSTITUTIONS section.

The R2 will authorize substitutions and frequently check the scoresheet to ensure the information recorded is accurate.

Warriors #2 serves the ball into the net after the substitutions.
